SELECTED JUDGES' COMMENTS

Chocolate for the Spirit Orange Pecan Toffee is Prozac without the prescription!

R&J Toffees absolutely nails classic toffee—in taste, in texture. And it has a beautiful finish. Sweetbricks honors classic toffee tradition and taste, while successfully introducing interesting new flavor notes, such as fig.

More toffee S'mores, please!

Love the varieties of toffee-- from traditional to s'mores to macadmia nuts... very exotic uses of nuts and percentages of chocolates.

Laurie's Chocolates Tavern Toffee was so unique and such a fun idea. Bars should start serving it for a sweet treat!

Adding certain flavors just to be inventive can sometimes fail.

Improved packaging would help in many cases.

Don't make the toffee gummy or too hard to bite into. Also overwhelming the toffee with too many ingredients doesn't allow the toffee to shine through.

I was disappointed by the packaging this year. Most of the packaging was pretty bland and I feel like it could have been a lot more fun!
